“ Stephanie, I'm so sorry to hear of this sad news. I had only met your mom a few times. When I would meet her she was always sweet. She let us swim in her pool. R.I.P Ms.Fance. You will be missed by many.

“ Mrs Smallwood was one of the greatest lady you would have ever meant. I meant her when I was 10 maybe . She took kids to church and then to Reid's to eat every Sunday . I loved this woman more then she would ever know . Rip my sweet angel you are in heaven now celebrating with your daughter Ann.
