“ I enjoyed working at LAISO with John for several years. What a brilliant person! I had the pleasure of having lunch at his house along with the rest the of the office and enjoyed seeing his collection.

“ John was my supervisor when I first came to Redstone Arsenal in 1992. He was a smart and nice person. John and I was friends and I will forever remember the good times at the Lead AMC Integrated Support Office (LAISO). RIP John.

“ I knew John from Govt Systems meetings in St. Louis. John was a smart, nice man who was always a quiet voice of reason. I pray he's at peace.

“ Fond memories working with John from 1993 until his retirement. He loved his family, dearly (Yorkies, too).

Deb, Zach, and Josh - May you find peace, comfort, and strength as God wraps you in His loving arms.

Eddie - My thoughts and prayers are with you and your family, today and in the days to come.

“ John will always be remembered by me and those who worked with him in Bldg 4488 and 5301, Redstone Arsenal. Before he retired, John was always willing to help, he was smart, a good listener and dependable. I knew him from the late 70s until he left. He will be sorely missed.
