“ Stevie and my brother was best friends when they were kids.I always remember my brother Danny calling Stevie Dean.I hadn't heard of Stevie Dean till about a year ago and we became friends on Facebook.Then he was visiting his mother whom is my mothers neighbor and friend.And we became real friends.He came over to mamas apt and bought cat food and fed the cats when mama was in the hospital and we was all busy with mama.Then he would visit mama and visit me when I was at mamas.We always laughed at our moms and talk about their funny ways.I enjoyed Stevie and his sweet ways for to short of a time.And the best about Stevie was he was so good to his mom Ruby King.This man was in the service and had begun his life back in Guntersville when his life was cut short.Rip Stevie.You will be missed
