“ It had been years obviously since speaking to Amanda and over these past years I've posted things on FB with hopes she'd contact me. And I just had her on my mind so typed her name into Google and this came saying she had passed. I just can't believe it, my heart is so saddened and I can only imagine how little must feel! Also her family of whom I only ever met one of her sisters one time. Amanda and I had drifted apart but as far as I was concerned not far and without any hard feelings of any kind. It must have been real soon before she passed that she had called or messaged I can't recall for sure but she contacted me to apologize for something and I told her Amanda I had forgiven as soon as what she was referring to happened because I truly had as a Christian but because I loved and cared about her greatly! I couldn't see on her what happened but would be grateful if maybe her friend Brooke, her sister I met Jody I think or someone I no Candice or maybe even Heather would contact me to help me understand what happened, PLEASE! My number is 205-471-0423 or if you rather not speak to me please at least text or message me on FB. Just please someone let me no what happened! As I said many times over the past few years I had posted things on FB saying I was missing and looking for my long lost Beautiful Friend! Now I feel that God had put her on my heart for this reason, or I hope it was only this reason and that I didn't fail in doing something that may have prevented this from happening, ever how it did happen. Someone please call me! And Amanda I will FOREVER REMEMBER YOU, YOUR BEAUTIFUL SMILE, GREAT PERSONALITY AND OUTGOING SPIRIT! My prayer is that your in Heaven with our Lord Jesus Christ, our Heavenly Father and Creator and any and all family and friends that may have gone before you. And that your feeled with the Amazing Peace, Love and Joy that comes from the AWESOME GLORY OF OUR LORD!!! My mother always liked you Amanda and will be going home very soon herself because having bone and lung cancer. Out of the 6 month's the doctors gave her at least 4 to 4 1/2 have already passed, so I'm gonna ask her to give you the biggest hug and a kiss on the cheek for me when she sees you in all your beauty glowing in God's Glory! I now and will always love you! PEACE BE UNTO YOUR SOUL! I

WILL CONTINUE TO MISS YOU UNTIL I COME HOME AND SEE YOU BEAUTIFUL SMILING FACE ONCE AGAIN. Which may not be long with the heartattcks I've had but regardless of the amount of time you will always be in my heart and thoughts! GOD BLESS YOUR SOUL, AMEN!

“ *I am so very sorry for your great loss. Take comfort that soon God will bring an end to the causes of such great pain. Rev 21:3,4. And can help us endure until then. 2 Cor 1: 3,4.*

“ *I am so very sorry for your loss. At such a painful time, I hope that it is comforting to know to our Creator, Jehovah God, understands our grief. More than that, he longs to use his almighty power to restore life to our loved ones. Notice the hope conveyed at Job 14:15: "You will call, and I will answer you. You will long for the work of your hands." We are the work of God's hands and the Creator who was responsible for our life can certainly restore us to life after death. May these thoughts along with your warm memories give you comfort during this difficult time.*
