“ I was just doing some family tree information and came across Ann's Obituary. I am so very sorry for your loss. I loved Ann so much. I grew up in a home full of confusion, but when Ann came to town we had so much fun. As I got older I spent many summer days at her house and around the lake. Nothing was more fun then going to 'Hammers' with Ann. I am sorry I didn't visit her for many years but occasionally we would talk on the phone and catch up on each other's lives. Please convey my sympathy to all your siblings, and your children. Ann spoke of the love for her family so often, and was so proud of your accomplishments. She was a hard worker, and I will never forget the "joy of her visits". With love to you all, Janice Ezell Hammond, and Betty Ezell Bussey.
