“ This is possibly the most difficult trial you have ever had to face, but I have faith knowing that you are strong enough to endure this and find peace in life and continue to be a good mom, strong woman, good friend, and positive person. I am so so sorry for your loss. You have lots of warm caring people around you willing to lend a hand if you need them.....don't hesitate to call if you need anything.

“ Lorene i am truly praying for you and your family in your time of need. Benji may be gone but never forgotten. You have been blessed with the most precious gift Benji could have ever given you a beautiful healthy baby boy. Take it one day at a time but always remind little Jacob all the good things about his father. You are an awesome mother to four great boys and now you have to stay strong for them. God will always help guide you down the right path. Don't think of the bad but all the good don't dwell on the past but look forward to the future and remember I LOVE YOU. I am here if you need anything at all no matter how big or how small.

“ *To Ms Rita and Lorene*

*There is no greater gift than a son or a man that will love you unconditionally and let your feelings be expressed. I would like to say in this time of sorrow may God trust and keep both of you forever. Benji may be gone but he left you guys the perfect gift...a son.*

*So nestle him to your heart remind him constantly of his Dad and find strength in the baby for both of you forever more. Lorene if there is anything you need dont hesitate to call you truly have a friend in me.*
