“ Me, being the baby of her two children, has never had to worry about anything because my sweet mother always fixed it regardless of what it was. She worked like a dog making a little over minimum wage in the 80's to put me through The University of Alabama. I had the best clothes, nice townhouse to live and she did it all on her own. No student loans for me because she sacrificed for me to have a college education with a clean slate financially! She is my biggest hero! Fly high with your Jesus my sweet Mother! I will never get over loosing you! Your baby as you called me Tamsey
