“ *Lori so sorry to hear. I always will remember her as a great bus  
driver. Every year we would on last day of school go the opposite  
way home and have a party on bus loved as a little kid. Remember  
all those track meets going to your house before them and riding  
home from invitationals in camper. I remember her when the bus  
drivers went on strike and she said as we came to school “ Tom  
Gates you turn around and get home””. So many great memories.  
The best is her getting my brother to the Nazarene Church in  
Irondale where he decides to listen to the Lord and become a  
Preacher. Love and Prayers to you all. Thank you for sharing your  
wonderful parents with us all and making us feel like family.*
