“ I am the Activity Director at Branchwater Village Assisted & Independent Living Facility in Boaz, AL. Mr. Rutherford lived at Branchwater Village for several years until recently when he moved to be closer to his grandson. I have many memories of him at Branchwater. We had a big celebration for his 100th birthday & then for 4 more years after that as he became very 'famous' as our oldest resident. He would win several contests especially at the big bingo games for all the seniors in Marshall county where he would always have to hold his hand up to determine he was in fact the oldest one there among several hundred senior citizens! He always had an encouraging word about His Savior & Lord, Jesus Christ. He always said, we all need to be ready to meet Him. I know he is now at Home with His Savior where he has longed to be for so many years! He will be greatly missed & we can say he definitely left a great impact on us! God bless your family at this Holiday Season & always. Please know your Branchwater family is always here for you if you ever need anything!
