“ Elmo, Rayford, Bryant, and Charlie, I so wanted to be there with y'all today, but we were under a winter storm warning and I didn't want to get too far from home. Bill is out of town so he couldn't drive me. Dot has always been a special cousin. She was always so happy and fun to be with. I have missed her at our family gatherings and will continue to miss her. As I sit here and look at her picture, I am amazed at how much she looks like my mother. She definitely is a Benson. I pray for God's comfort for each of you as only He can give. Love, Linda W. Russell
