“ *In your time of grief, we can only offer one piece of advice: don't dwell on the sorrow, whether it be your own or hers in her own life. Remember and rejoice in your happy memories and moments you spent with Great-Grandma Edna.*

Also know that in your hearts and in your minds, she now lives and thrives in a wonderful place, where she knows no grief, sorrow, or pain; but only joy and happiness.

We will keep you all in our prayers in your time of grief and just know that she is watching and looking over you now.

We love you

Love,

Alex and Jake Britton
