“ *I'm so sorry to hear about Ferrell. We worked together at Intergraph and we were good friends. I moved away from Alabama many years ago but Ferrell and I stayed in touch through the years.*

I have many happy memories of Ferrell that I'll cherish forever. Ferrell gave me buckets of pecans and I took them to my grandparents and they shucked them and made us yummy pies. My grandma loved the pecans we gave her and talked about it often and it always made me smile and think about the generosity of Ferrell. Every time I use pecans in something I think about my grandma and of course Ferrell.

My thoughts and prayers are with Ferrell's family and especially his daughter. I've seen pictures of her and she is absolutely adorable. I hope to meet her one day and tell her what a wonderful man her father was.

I'm so very sorry for your loss.
