“ When we were in high school we were inseparable! We called each other "chief" trying to sound like the guy on the Get Smart tv show. We played high school football, baseball, track (etc) and he was the best man at my wedding. He was at East Baptist Church 48 years ago when I preached my very first sermon, and I will be sharing about his life tomorrow at his Going Home Celebration! Mike you have been my bestie for over 50 years, keep your eye over toward the eastern gate, your one of the first ones I want to see when get there! Mike you beat me in everything we ever tried to do, and now you even beat me home to heaven too! You always had my back, and you were the most loyal friend I ever had, you are irreplaceable, you will never be forgotten and I'll see you soon. I know, I was always long winded, (so) so long Chief - Maynard out -

“ Mike and I met when we were about 8 years old and stayed good friends forever. From playing ball against and with each other to riding the roads he was one of the best friends you could have. He's in my heart forever and we will meet again someday soon! I will miss you every day until then. Fly high my friend.
