“ *Deepest Condolances from the Cauvel Family in Massachussettes. As a young boy, the thing I looked forward to the most on our yearly summer visits to mama and papa collins' farm was visiting the auto parts store. (Yes, even that one time with papa collins when I was told not to get in the car with him!) It was always a treat to look at the new tractors and talk to everyone at the store. I am truly sad that I didn't have the time to get to know her better.*
