“ I loved precious Heather! She was always so positive and just pure joy to be around! I pray her family keep spreading her joy as that is exactly what she would want them to do! She adored her family and bragged on everyone of them every chance she got, this went for her friends too. She would give the shirt off her back to anyone in need. This seemed to be the character of the entire family or it certainly is of Steven, mom and was of Casey. My prayers are for comfort beyond comprehension for all who are affected by her homegoing.
