“ Our prayers are with the entire family....and all those friends whose lives were touched by the love and kindness of sweet Hilda. It is my prayer that we will all be comforted by a thought that was shared with me by Jennifer Rothschild years ago. Dear Hilda has “closed her eyes to this world and opened them to Heaven.” She has left her pain and suffering behind.....and although it is so very hard on all of us that she left behind....we will meet again. It’s times like this that are so difficult living so far away.....but we send love and hugs across the miles. ❤️
