“ I am very shocked and saddened to learn about the death of Tim. He was a good friend to me and I truly cherished his friendship. I have been living in San Diego since 2006 but we were friends while I lived in Huntsville. I remember how proud he was of Auburn University, of being a pharmacist, of his love of acting (I saw him when he did 'The Butler Did It' in Anniston), of his beautiful home, and of his attachment to his family whom he dearly loved. I will truly miss Tim, but at least I have many beautiful memories of the friendship that we shared. May he rest in peace.

“ I cannot begin to tell you about the outpouring of condolences that we have heard and received about Tim. He touched so very many lives and in so many ways. I know that this last month has been dreadfully hard on the family. But know that he was well loved by many and will be missed by many. That includes customers from the various pharmacies where he worked, and friends that he met through the theater groups with which he worked, CAST, the theater group in Heflin, and Theater of Gadsden. And then there are the audience members who have expressed their dismay at his loss. He will be sorely missed.

“ I am so sorry for your loss. Please know that Tim was one of the most kind and generous people I have ever had the pleasure of knowing. He was the kind of friend that always knew exactly what to say or do to make your day a little bit brighter, in fact I can almost hear him tell me to suck it up and dry up my tears as I type this. I was blessed to have worked on several shows with him and I will cherish the time we spent together. Your brother was an amazing person and he will be missed so very much, but Heaven's stage shines a bit brighter now.
