“*Jacob was a great guy. My thoughts and prayers are with all of you. I grew up with "JK" lived right next to him in Joppa, and played football with him at Arab in Jr. High. He always had a kind word to say. May god be with him*

“*There are very many things in this world that are inexplicable. It is a difficult thing for us to understand why in the providences of the Lord, but just Trust in the Lord with all thine heart; and lean not unto thine own understanding. There is something about the Gospel that causes men and women to acknowledge God in life and death, in joy and sorrow, in prosperity and in adversity. The Lord has said that he is pleased with those only who acknowledge his hand in all things. I have not had the same kind of trials that you have had to undergo, but I am thankful to say that the trials and temptations have not been any greater than we was able to endure. We came to this earth to obtain knowledge, wisdom, and experience, to learn the lessons, suffer the pains, endure the temptations, and gain the victories of mortality; I was thoroughly convinced in my own mind and in my own heart, when some one left us by death, that it was the will of the Lord that she should be called away...God Bless you Siomara*

Ruego que el espiritu de este sentimiento llene sus vidas y esta verdad de paz a sus corazones.
