“ To all family of Mr. Ray Bice:  
Mr. Ray was one of the most selfless, down to earth men that I have ever very known. He was brilliant, he was a leader and a man I thought of with the up most respect. I spent a lot of early mornings talking with Mr. Ray as I served his coffee and orange juice and breakfast at the Huddle House. He gave me some great personal advise and he left footprints in my heart.... my sincere prayers are with the family at this difficult time...
