“ James was my uncle, he was my dad Verbon’s brother. We were always such a close family. Growing up we spent a lot of time In Alabama and I saw my uncle James and his family quite often. Him and my aunt Dot would have me over to spend the night with Jan and they always made me feel welcome and at home. My uncle James was one of the kindest men I have known and it is a privilege to be part of the Lawson family . I would like to say how sorry I am for your loss Aunt Dot, Jan, Bradley and your families . I know he will be greatly missed . I’m sure that he is in heaven with all of our family that has passed before him and they are all welcoming him with great big hugs.💜 Linda Staszak (Lawson)

“ I'd like to say James was my uncle and I always thought he was a good man that took care of his family like a man is supposed to do and I always had respect for him for that and alot of other reasons. I would also like to say a long time ago, I guess it was about 1976 give or take a couple years, he came up to whiting Indiana with Dot and the family to visit 2 other great men Verbon and George Lawson(his brothers) and he asked me and my brother if we wanted to go for a drive to see the sights and he stopped at AP Davis sport shop and bought my brother and me really nice baseball hats just to buy them for us, no birthdays or anything and I have never forgot him doing that and just how nice he's always been to me. I'm glad he doesn't have anymore pain but I will miss him even though I didn't get to see him very often. I feel really lucky to have had my dad and George, bill, James and Wally Wallace as some of the best men in my life and I appreciate all of them
