“ *To the only father I have ever known: Thank you for being such a good, kind, loving man. We might not be blood related, but you are the man I think of when someone asks about my dad. You never raised your hand or even your voice to me or my mother. I know that you loved each other more than anyone will ever understand. I was able to grow up in a house surrounded by that love. I will miss you both for the rest of my life. Love you always, Lisa*
