“ Carolyn,
I was in the 8th grade when Johnny became my brother-in-law, but I looked up to him as a big brother! Growing up in Atlanta, I became a Ga. Tech fan at an early age, so it was great to have a real Tech graduate in the family. I remember going to Tech games with Johnny and all the good times we shared, but mostly I remember his gentle love and kindness for everyone. Johnny was a wonderful father and husband, and I am so glad that you and Johnny were able to share your love and happiness with each other for many years. We will all miss Johnny.
With my deepest sympathy and Christian love,
George Fuller

“ *When I think of Johnny, I see his warmth, friendship, and a beaming smile. Carolyn, I'm so sorry for your loss. My prayer is the Holy Spirit (The Comforter) comfort you and the rest of your family and friends during a time of loss and heartache.*

In my mind, I see Johnny now. He is smiling or laughing, I see him clearly now and I know we shall see Johnny again. Johnny left us bodily, but left some of himself in all of us, who loved him. He left me memories of warmth, love, caring, and friendship.

Carolyn, God bless you and carry you, during this very difficult time of sorrow.

Love in Christ,

“ Carolyn, I am so sorry for your loss. I knew Johnny had been sick but did not know that he was in the hospital. Johnny always had a smile on his face. May your happy memories help you get through this very difficult time.

“ Very sad to hear about Johnny's passing. I am a close friend with Ryan and went to high school with him. I use to spend a lot of time at Ryan's house during this time. Johnny was one of the kindest most gentle heart men I have ever met in my life. Although it has been many years since I last seen Johnny he has always had a place in my heart. I pray for the whole family to have strength to get through this difficult time. Only if the world had more people like Johnny in it...it would be a much more peaceful world. Johnny will be missed by many but I am at peace because I know he now walks with the hand of the lord.
