“ Justin Tedder, I miss you so much, i wished i could have one more time or one more day, so much to say but not no time to say all that was missed out on....This truly stunned me ! I cant believe that im not gonna hear your voice on the phone or you text me ask if im okay? An tell me you love me" i do have a few voicemails though" You will forever be with me, so please know i will be looking for you when i get there... You meant so much to me , my heart is breaking....love you more than you will ever know.....
