“ So very sorry to hear the loss of Rosie from our lives. Her and Larry were two of the closet friends to mom and dad, David and Laura Gaddis had. Many good memories they had on the mountain. I know how hard it was for Rosie after Larry passed but am so glad, they are now again in each other's arms. Along with probably 25-30 cats and just as many dogs. She was a comforter and advocate of all animals. What a big heart, warm smile and sweet hugs she would give. We will miss her dearly.

“ Rosie and Larry were two of the closest couples to mom and dad, David and Laura Gaddis. They both enjoyed the company of each other and had many laughs and good times on the mountain. After Larry passed, Rosie had some tough years, but I am sure they are in each other's arms again. She was a warm and sweet woman with a heart of gold. There wasn't an abandoned animal that she didn't want to comfort and take care of. We will miss her dearly and the yearly Christmas updates I will cherish. Many prayers and thoughts are with the family.
