“Christine opened her arms and heart to me. We had no blood relation but that meant nothing to her. She knew Jeff and I were sibilings and treated me so amazingly. I wish for my own selfish reasons I would have gotten more time with her. But in the depths of my soul I know she is in The Promised Land surrounds fed by God's love.

“From the first day I met you, you treated me like your own granddaughter. For that I can never repay you. I will miss our conversations, and plans to come see you. I love and miss you. You were such a beautiful, one of a kind woman. I find peace knowing you are in The Promised Land. God speed.
