“ Dear Carl and Donna,  
So many wonderful memories of our times together. Mable was a loving and welcoming mother to me and my family. Our Summers and Beach Trips will always be cherished memories. Be comforted in the great memories and know that you two were truly loved.

“ Carl and Donna,  
We are so sorry for your loss. Remembering back, your mother was accepting of all of us. We saw where she was in Shepard's Cove, so I'll bet she's resting easier and is no longer in any pain. Remember that we're always around. We haven't forgotten you.  
Our prayers are with you during this time of mourning.
