“ I remember the first time my husband was introduced to Mark. We said Dave, Midget, Midget, Dave. My husband looked at my brothers and I shocked. He said I can't call you midget. Mark said why the Hell Not, laughing the entire time. We always had great times together, getting into trouble, laughing and sharing times together. Mark you will be greatly missed by your family. Say HELLO to Steve & David. I am sure you guys are having a great time together, Heaven will never be the same with the 3 of you up there together.
