“ Kelly and Michael,

It is with great sadness that I read of your mother's passing. You may not remember our years as your neighbors in Alabama but with recently losing our father, we have spent the past weeks talking about our years in Guntersville. They were such good memories for Dad and many of them included fishing with your Dad. Just last Friday, Jason and I talked about spending hours playing "house" when they built your house. We walked over every inch of it before the walls went up, and the four of us did the same thing when new houses would go up in the neighborhood after you all moved in. I have very fond memories of those times. The last time I saw your mom, my son who is now 23-years-old had just turned one, but she was the same "Martha" I remembered from my childhood. I am truly sorry for your loss.

Thank you for your kind words Susan. We do have some great memories even though our time together didn't last long. I remember Jill's leather jacket with the fringe (loved it!), waiting for the bus at your house on those cold winter mornings with a fire going in the fireplace, Joann drinking her Tab in her coffee cups...and many more. Sorry to hear about Delbert; we lost Dad 11/2 yrs ago. I hope y'all are doing well. Please tell the family hello from all of us. Hope to hear from you again.
