*I am so sorry for the loss of your mother. Mary was a very dear friend to me for so many years. I loved her like a mother, and she was a mother to me for many years. I met her when she lived down at Lay Dam in the little cabin and lived with her for quite awhile. And as well I would visit with her at her home in Gunsterville. She will always hold a special place in my heart. She was a very kind and special lady and would do anything she could to help. She and I had the same love for animals. I knew something must have happen because without fail, I would get a birthday card in the mail every year along with a calendar of animals. Today was my birthday and when I didnt receive the card Friday or Saturday, I knew why. Again I am very sorry for your loss. Please contact me at 205-217-2179. I would love to have something of her's that I can always remember if by if anyway possible. I truly loved your mother.*

“ You'll are in our prayers & thoughts. Sorry that we could not come. She was one of our favorites & we nicknamed her "Miss Smiley". We loved her very much & she will be greatly missed. However I know that she is in a better place, free from pain & worry. Rev. Tommy G. Smith & wife, Sandra. Chaplains at Citronelle Convalescent Center.
