“ *I am so sorry for your loss, my prayers go out to all of his family and friends. I remember, when I was waitressing at Sandy's Roadhouse, he always loved to hear me sing karaoke and he would come to me and say "If you'll sing me a song, I'll give you \$1." And he would. He would tip me \$1 every time I sang, just because he wanted to hear me. He was such a sweet man and he will be very missed*❤️

“ So many memories of my cousin Mitch. He always stood up for me even when I didn't know he did. But two memories come to mine the first one is I asked my cousin for some green beans and I guess he forgot our code so I walk into his house and he had so many cans of green beans stacked up on the counter and asked me if that was enough then all serious and he was serious I couldn't help the first out laughing. Not that kind of green beans Mitch. And the second one is when he and my brother Craig was building their hangout clubhouse in the woods across the street from where the family lived in German subdivision and cop the woods on fire scared them shitless in my forecast and laser baby carriage got used to hold water so they can run and put out the fire but it was too big here comes the fire department what wonderful memories 😊😭 I will keep the rest of my memories of him to fall back on as I get older to reminisce when we were children and grown adults. I will miss you Mitch and I will never forget you first cousins. See you on the other side. Love you Mitch. 🙏❤️🌟🚩🌈
