“ I was so saddened to hear about Phillip. There are so many wonderful memories of our years in classes, band and school plays. I used to park my car at the house where he and Ronnie lived during my one year at Alabama. Freshmen were not allowed to have a car on campus so it stayed there until I drove it home on weekends.

It was nice visiting with him at class reunions and communicating by email, but I am sorry we did not see more of each other in recent years due to our busy lives. You and your family will be in my thoughts and prayers. I am in Guntersville this week with my dad. I hope to see you Friday or Saturday.

Sincerely,
