“ I was lucky enough to get to know Rod through David.  
The first time I met Rod was at his home and his hospitality made me feel so welcomed and needless to say, I left with a bag of boiled peanuts. There are many memories I have of Rod, mostly on the boat on Lake Guntersville with David. We had many good times with lots of laughter, he could make me laugh out loud with his witty remarks.

He was a "what you see is what you get" guy. If there is one single word that I would best describe Rod it would be-genuine.

As long as there are memories, Rod will remain in many hearts.  
Rest in peace you will be missed.
