“ *The measure of a person is what they leave behind. I was fortunate to grow up on the mountain when you knew everybody. I never knew a Mason that would lie, they never cheated, they never stole. They practiced highest standards of decency and morality. This was true not only of Robert David and Tempie's family but also extends to all the Mason and Rainwater families I knew. In a small community like ours of course there were tifts and disagreements, but always respect. The legacy Tempie leaves behind is rare in today's world.*

*Praying my friends Annette, Mike, Tim, Phillip and their families find peace and comfort knowing their mom is happy in the presence of our Lord and Savior.*
