“ *Wiley was my half brother, my Dad was Ray Coleman I remember him coming to my Mom and Dad's. lost all contact with him after my Mom died, he called her every Christmas I remember him as always being kind. Please contact me if you would like I would really like to get to know my other half of family

“ *I loved Uncle Wiley with all my heart. No not blood, but by heart. He was the most precious man you could ever meet. If he cared about you, he let you know it. His songs and CDs ,he made special for me ,I will cherish from now on. I have listened to them over and over, in good times and bad. Heaven got an Angel!!! He made me feel so special.*
