“ *Tiffany was a regular literally every single morning (sometimes afternoons too!) at the coffee shop I worked at in college. I still have a vanilla hazelnut cafe au lait because of her! :) I came to know how special of a lady, wife, mother, and friend she was. We stayed in touch over the years and I was so sorry to hear she had passed. I know she is greatly missed and is now watching over her sweet family every moment. I'm keeping you all close to my heart and in my prayers.*
