“ Dwayne I dont even know where to begin. I will miss you so terribly. You were by far one of a kind and there will never be another one like you. Man, did you ever have a way with words. If it wasn't talking smack with me at softball and basketball games it was explainig things way beyond the point where I stopped listening. Lol...you didnt mind you'd tell me anyway. I hope you know just how loved you were and how many hearts are broken because they'll never get to hear your laughter and crazy sense of humor again. You left a huge hole in the hearts of many big man. Im trying my best to take care of Trudy and Olivia for you, I know thats what's you'd want. I dont know that they will ever get over losing you but I promise to hold their hands and dry their tears for as long as im needed. Rest in peace Big D I loved you and you will always have a place in the hearts of Shawn, Anna and myself here on the Pruitt compound. And I promise to think of you everyday and think of something totally ridiculous that you said or did and laugh for you. P.S. Tell my daddy and rod we love and miss them and try not to talk their ears off too bad.
