“ *My husband Jack and I will never forget the amazing road trip we took to Bar Harbor, Maine, accompanied my sister Ann and her husband Wendell Allen in 2003. It proved to be a glorious time of sharing wonderful experiences and major attractions by the couple who had years earlier shared their Florida vacations with me.*

We will have precious memories of the trip our foursome made, and how much Wendell seemed to relish every experience as much as we did. He was a wonderful husband to my sister Ann. We all loved him very much. Sandra Harvell Rogers, Canton, GA.
